MY STACK

- Linux
- Bash
- Kubernetes
- Docker
- Python
- Prometheus
- Grafana
- Opsgenie
- Zabbix
- Openstack
- GitHub/GitLab

SOFT SKILLS

- Teamwork
- Creativity
- Problem-solving
- Communication

LANGUAGES

- English - B2.2
- German - A2
- Polish - native

HOBBIES

Board games, computer games, RPG sessions. Astrophysics – I participated in a project to build an observational satellite as a member of the PWrInSpace science club.
I enjoy acquiring knowledge in the exact sciences as well as deepening my historical knowledge.
